

Regeneron Pharmaceuticals

3-3 | 3-4 Workplace

Tarrytown, New York

Continuing Collaboration

Collaborating with Regeneron shortly after their inception, BAM has worked with them as they have grown.

Workplace of the Future

An agile environment focused on workplace strategy and pioneering approaches to improve morale and performance.

Design Standards

Our team is actively engaged in establishing, maintaining and updating the design standards manual to capture forecast evolution in market changes and companywide needs for easy and up-to-date reference.
