

Urban Studio

Photography Studio and Entertainment Space

New York, New York

Creative Office

Urban Studio is a creative digital studio that had developed a sophisticated high-end roster of clients by being the best in their highly competitive industry.

Understanding Their Needs

BAM understood the business imperative, the equipment needs, and how to work with highly creative people.

Integrated Design

Two floors of a Chelsea loft were fully renovated, maintaining the core business functions that had propelled Urban Studio to the top.
