

Core Ideology

These are the core ideologies that drive us. Every day.

hire smart, ambitious people and remove hurdles / **entrepreneurial** aka responsibility with authority / **doing well** is a journey, not a destination / **be nimble**, accountable, and prepared / **hire** people that are smarter than you / **hire** young & promote from within / **make** things easier for everyone / **growth** for people, not bankers / **quality** over quantity / **profits** are important / **stability** & loyalty / **share** equitably / **employ** a no jerks policy
